

TOWN OF SUNDERLAND, VERMONT  
P.O. Box 295, East Arlington, Vermont 05252

April 16th, 2012

Selectboard of Sunderland  
PO BOX 295  
East Arlington, VT 05252-0295

Dear Sunderland Property Owner,

Based on maps provided to the town of Sunderland we have identified your property as potentially being impacted by the new Flood Insurance Rate Maps (FIRM). These maps are available for viewing at the Sunderland Town Clerk's Office and we encourage you to view your property to determine the impact if any.

The town will be considering whether or not to adopt these new maps at an upcoming Selectboard meeting. Failure to adopt the maps would remove the town and any properties from the National Flood Insurance Program. However, adopting the maps could affect any future development on your property.

There is some additional information about this process on the town website at [www.sunderlandvt.org](http://www.sunderlandvt.org) at the bottom of the home page under Latest News and Announcements.

The Selectboard would like to hear from you if you have any comments about this process.

Sincerely,

Sunderland Selectboard
