HOMESTEAD TAX RATE

Homestead Tax Rate to be Assessed: \$ 1.1265

The Homestead Education Tax Rate is based in part on the education spending per equalized pupil of all the pupils residing in your town. Many town districts are also members of union school districts. Each town and union school district will have a tax rate based on its spending per pupil. For towns with multiple school districts, the tax rate is a combination of those rates.

Town-specific information on education tax rate calculations will be available on the Department of Taxes website at:

<http://www.tax.vermont.gov>

By law, the legislative body in each municipality shall bill each property taxpayer at the homestead or non-homestead rate as determined by the Commissioner for their municipality.
