

Sunderland Board of Civil Authority

Meeting Date: November 1, 2021

Members Present: Sally Ayrey, James Ayrey, Jon French, Rose Keough, Bruce Mattison, Andrew McKeever, Sally Stone, Brenna Warren

Rose Keough called the meeting to order at 7:00 PM.

Sally Ayrey made the motion and Jon French seconded the motion to appoint Rose Keough as Chairman. The motion carried.

Bruce Mattison moved to submit to the Legislative Apportionment Board to have Sunderland, Arlington and Sandgate form as a district with a population of 3900 people which is within the deviation limits. The motion was seconded by Sally Ayrey. Discussion followed and it was noted that geographically it made more sense to form with the other two town because the tentative plan for Sunderland was with the mountain towns and in the winter there is not any adjoining access to any of the towns. It was also noted that currently the district has three representatives and if the change is approved it would leave only one representative. The board felt that one representative from our immediate area was better for Sunderland than having two from Manchester and one from Shaftsbury. The motion carried.

Sally Stone made the motion and Jon French seconded the motion to adjourn at 7:30 PM.

Respectfully submitted,

ROSE M. KEOUGH, Clerk
